

kisscpp::manip::flush

```
graph LR; A[kisscpp::manip::flush] --> B[kisscpp::LogStream::flush]
```

A diagram showing a function call. On the left, a gray rectangular box contains the text `kisscpp::manip::flush`. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text `kisscpp::LogStream::flush` in two lines.

kisscpp::LogStream
::flush
